

# Project Development Phase

## Project Development - Delivery Of Sprint-3

Date	03 November 2022
Team ID	PNT2022TMID46202
Project Name	Smart Lender-Applicant Credibility Prediction for Loan Approval
Maximum Marks	4 Marks

**Create App Interface:**

Interaction page:

A screenshot of a web application titled "Loan Approval". The header includes a navigation bar with links: Home, Login, Register, Dashboard, and Admin. Below the header is a banner image showing green grapes and several coins. The main content area is titled "Loan Approval prediction" and contains a form with the following fields: Name (text), Gender (radio buttons for Male and Female), Income (text), Loan\_Amount (text), Loan\_Term (text), Loan\_Rate (text), Loan\_Paid (text), and Loan\_Status (radio buttons for Yes and No). A blue "Predict" button is located below the form. Below the button, the text "Prediction is:" is displayed. The bottom of the page is a solid black bar.
